**Recommendations**

1) From the Table above, We can see that the State of Onatrio is Leading Revenue in these specfic months: January, March and April  
i) I will suggest to the Management to Increase Sales in the State of Onatrio during the specified months to Incerase Revenue

2) From the Table above, We can see that the State of Quebec has the Lowest Revenue in all the months, but gained its highest revenue Value in June..  
i) I will suggest to the Management to increase sales in June which will Inadvertedly increase the Revenue in the State of Quebec.
